“ When Jerry was born I was 14 yrs old. His mom would play rummy at my Aunt Helen’s home with my mom and dad. I remember the first time I held Jerry and he went to sleep taking his bottle in my arms in the living room rocker. That was the first of many times feeding and holding him when he was a baby. I watched him grow until I left home for the military in 1979. All the time he was growing up I never heard him express an angry word and he was always very happy and respectful towards everyone in the family. When I returned for a visit he was genuinely interested about my life in the military and we talked together many times. He was was always respectful but more than anything he was family to me and I to him. He fought the good fight his entire life, he kept the faith and he loved his family and his God. Now he is receiving the reward promised to him by our Lord. Jerry, May the Lord bless you and keep you, may the Lord extend his grace upon you, may his countenance shine upon you and give peace forever more. I am missing you now and always will.

“ We have so many wonderful memories of being with your family. Lots of good food, fun, laughter. We were neighbors, church buddies, co-workers. Our children ran up and down 14th street playing together. I remember when your family started attending church. You were saved and really got busy serving Jesus.... what a joy to see that.... and then your sweet children found Jesus. That seems to be all that matters now. Little Jerry had such a good heart, so friendly and kind. You did an amazing job with your children. We will never understand why the boys had so many health struggles.... to us it seems they left us way too early. It's heartbreaking.. parents shouldn't outlive their children. But we will choose to dwell on the blessing that they are face to face with Jesus..and totally healed. Stanley and I will continue to pray for you in the days ahead. Please let us know if there is anything we can do for you. Our love to you, Stan and Miriam
