“ I just want to send my sincere condolences to Ralph and Winona, and the entire Watts family at this time. I just have learned of your fathers passing today. I remember him so very well many years ago out at Grandads farm in Durham when we all got together out there. I am so very sorry to have lost communication with all of you over the years as time has gotten away from all of us. I would very much like to reconnect with you guys if possible. I remember your dad as a quiet and private man who usually did not have a whole lot to say! I'm sure that he is very happy to be reunited with your mother. Your family is in my thoughts and prayers at this very difficult time. May God Bless all of you!

“ Julian was always a quiet peaceful man. He was extremely gifted when it came to making fishing lures. I will forever carry my memories close of him and my Great Aunt Edwarden.

“ I'm so sorry for your loss. Everyone is in my prayers and thoughts. One thing is for sure and that is he is with the one love of his life, Edwardine, as well as Dewayne. He's also probably has Eddy sitting on a river bank fishing!! I can't ever recall Julian ever anyway but smiling and so mellow. He had a special grin when he find something funny. May God comfort you and know that He's taking care of your Dad and Mom.
