“ To our Ramey family we are praying for each of you. He was a great man and loved his family dearly. We know that he is rejoicing in heaven and reuniting with those that left this earth before him, that gives us some peace but our bodies ache for so much more. We love you guys and if we can help in anyway please let us know. Rodney and Deborah

“ Phineus was my boss for several years when I worked on the dinner lines and prep at Campbell soup. I couldn't ask for a better boss. He was always caring and understanding. He was sportive in every way. He was a boss that cared about quality of the product we produced and had high expectations. He was willing to work out issues. He will be missed. My heart felt prayers go out to his family.
