“ Reba, was such a great Grandmother to my firstborn child Shane, It was her first grandchild and her and frank were so excited to welcome this new grandchild as they were so excited. Being a young mother at the time having my son scared to did not come from a wealth family she always took care of Shane as she always made sure he was dressed asa handsome little man and always provided anything that lil guy needed as they were so happy for him to be in there life. Reba was good to me always providing me with clothes and welcoming me to her home working with my little man! I thank you from the bottom of my heart you were so good to me and my little Shane. I feel when Shane died , Reba lost a very important person in here life! She loved Shane so very much and I don't think she was ever the same without her first grandchild. Rest In Peace Reba, I thank you for all you did for Shane and me as well

“ I love you Aunt Reba. You will be missed so much. I can't begin to say enough about how precious this lady was. She always called me to see how I was doing. She always made sure I knew she loved me and was proud of me. She always asked about my kids and grandkids. She called to check on me when she heard I lost a loved one or just to check on me. She had a big Kind heart. I will always treasure those phone calls and her last message to me. It was so very precious and sweet with tearful love for me.
