“ I met Jane while working at the Dr. Office in Winslow. We had an immediate connection and quickly became friends. I could always talk to her about anything and everything. She always went out of her way to help others. I will always cherish the memories I have of her. Thinking of her family and sending prayers during this difficult time.

“ Jane made a difference in the lives of so many. Her devotion to God led her to teach others how to live happier, healthier, more peaceful lives now, while at the same time preparing for their own eternal peace. She was a precious light. I am so blessed to have known her.

“ I will always remember Jane for her sharing Jesus with everyone she came in contact, to be the first one to offer me to have lunch in the fellowship hall when I first came to church, and for granting me the blessing of creating “granny gowns” for her. Looking forward to seeing her on resurrection morning!!

“ Jane and her family have been an inspiration in my life for almost 30 years now. She was a lifelong student of the Bible and health. She was dedicated to her family and friends...and passionate about her Savior. She also had a passion for the Prison Ministry which encouraged and taught many a better life could be theirs now and for an eternity. Her daughter, Shawna now follows her example in this ministry. Her children are active in serving and blessing others. We may have lost her presence for now, but we can have confidence we will see her rise to meet her Lord at the sound of the Trumpet announcing the Coming of our glorious Savior, Jesus Christ!!! Though we miss her now, let us continue in her faith and hope for many to find the way Home.
